

November 15, 1994

Bill Odle,

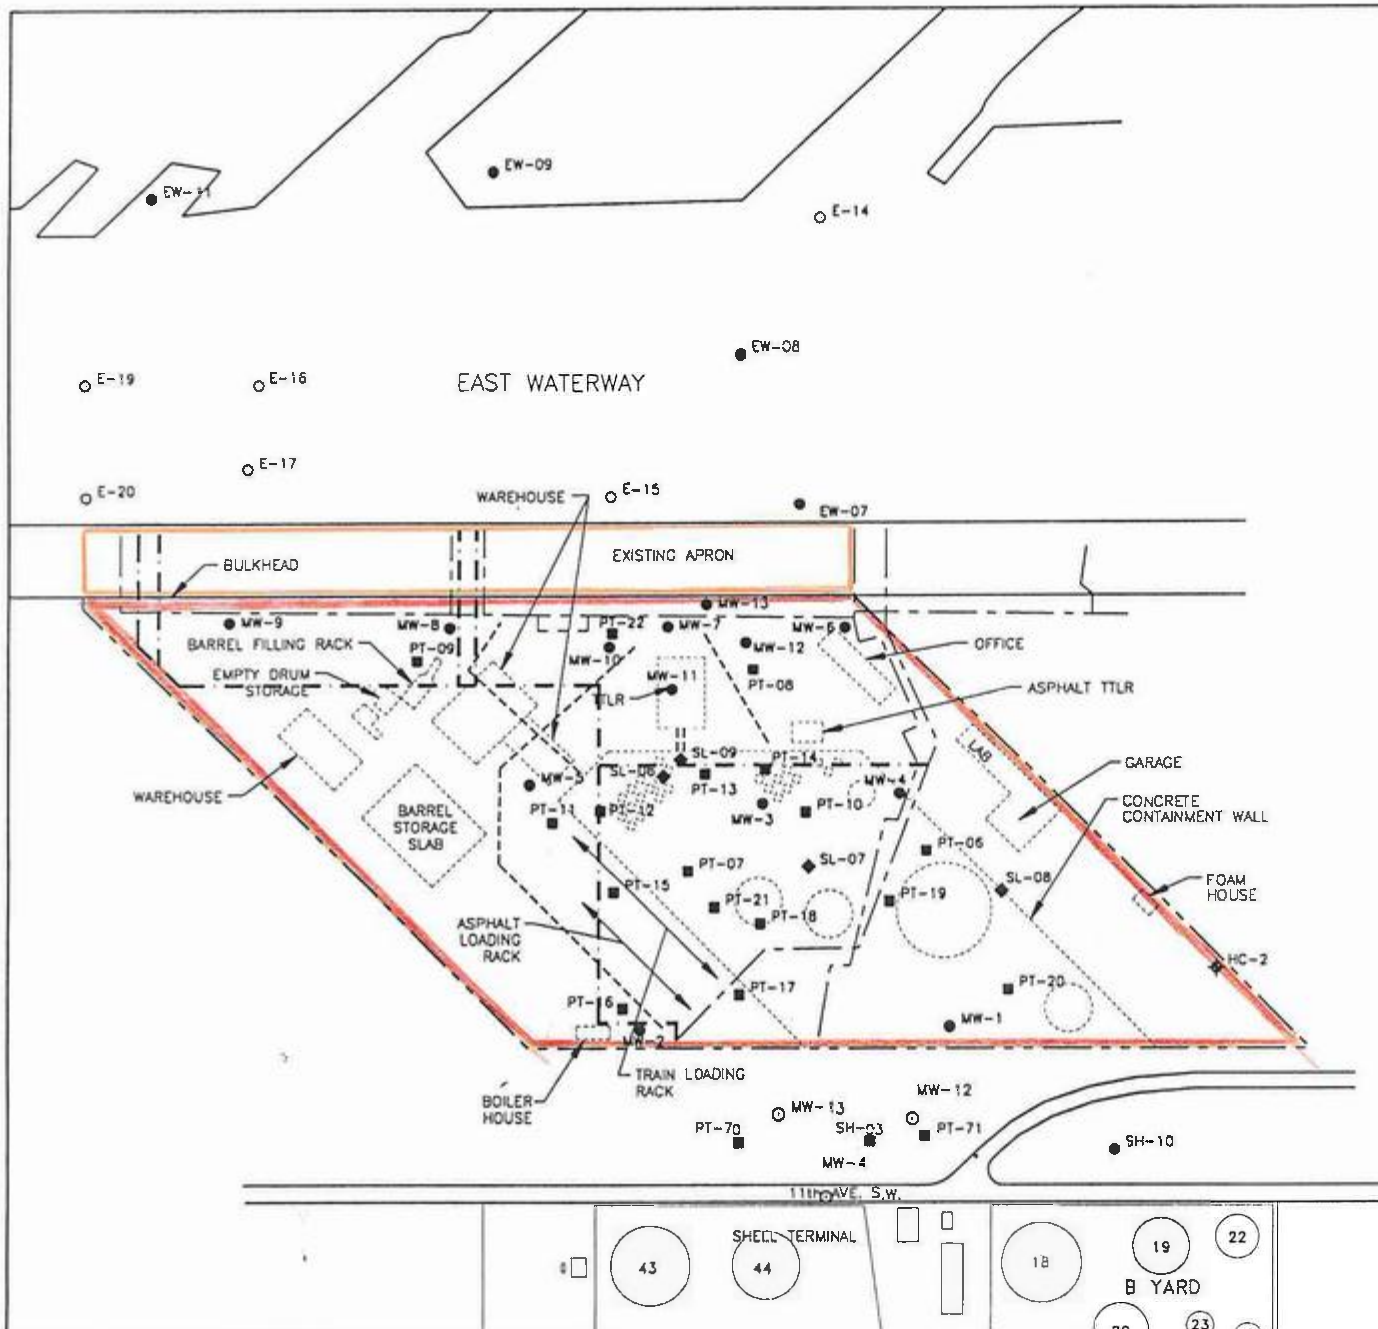

Attached are two copies of a drawing with the old Shell facility deeded to the Port in the 1970's outlined in red. The drawing also shows the apron area outlined in orange. A legal description of the old Shell parcel was provided by George Hadley and is attached.

Thanks,

"... in high-performance organizations,
the parts are supposed to talk to one another."
Army Chief of Staff,
General Gordon Sullivan
